greenPOWER certificate

Awarded to:

greenPOWER is a Stredoslovenská energetika, a. s. certificate that confirms that the total volume of electricity delivered in this period is entirely produced from renewable energy generation, and thus supports projects aimed at social and environmental responsibility.

Period:

Stredoslovenská energetika, a. s. is a modern energy supplier that is aware of its environmental responsibility. It is therefore our long-term objective to support energy efficiency, the rational use of electricity, and increasing the generation of electricity from renewable sources (water, wind, solar, geothermal, biomass, biogas, etc.).
